

EQLL2 - SPONSORSHIP & COBRANDING

Borough, county, Unitary authority and Editions Selector

This Selector should help you choose the Editions and areas for which you wish to sponsor or cobrand the 500 Or 1000 free issue licenses.

The minimum number of free licenses you can cobrand as shown in the SunLife example above is 500. The minimum fee for cobranding and issue of cobranding licenses to selected end users is £1.20 per license. You will need to bid higher than £1.20 for premium areas, such as City of London, Westminster, Lambeth etc. You should provide us with the artwork for the logo for cobranding as well as the website link that you wish to embed within our App. Please use the Purchase Order template provided below to order.

Terms and Conditions for Embedding Phone Number and Profile within the Safeguard Pro Android App (Eqll2 Platform)

Company: Retailer Robotics Ltd

Registered Address: 3 Grover Court, Loampit Hill, London SE13 7ST

Contact Email: joseph@secrtwepn.com

1. Introduction

These Terms and Conditions set out the basis for embedding your phone number and profile within the Safeguard Pro Android App using the Eqll2 platform, accessed via www.eqll2.com. Eqll2 and Safeguard Pro are digital platforms and apps developed, sold, and/or distributed by Retailer Robotics Ltd for purposes including personal security, emergency contact services, actionable digital advertising, sponsorship, and co-branding options.

By choosing to embed your profile or phone number within these applications, or by entering into sponsorship or co-branding arrangements, you consent to these terms, which are governed by English Law.

2. Service Description

Eqll2 Platform: Offers embedding of customer or advertiser profiles, including phone numbers, within the Safeguard Pro Android App. This enables customers to receive non-emergency support services and access sponsor or co-branded features.

Safeguard Pro App: A personal safety app aimed at UK users, including but not limited to workers requiring duty-of-care protection and companies complying with the Worker Protection (Amendment of Equality Act 2010) Act 2023.

Advertising/Sponsorships: Eql2 enables actionable digital advertising within partnered businesses and supports brand placements via sponsorships or co-branded experiences.[1]

Eligibility: Services are available to individuals and organisations based in the United Kingdom.

3. Customer Use and Responsibilities

You agree that the information provided (e.g., phone number, profile data) is accurate and will be kept up to date.

Retailer Robotics Ltd is not responsible for failures or delays in alerting emergency contacts due to inaccurate, obsolete, or incomplete data.

Use of the app for illegal or abusive purposes is strictly prohibited.

Access to certain features may require payment of fees as indicated during sign-up or onboarding.

4. Data Protection and Privacy

All personal data collected will be processed in accordance with the UK General Data Protection Regulation (GDPR) and Data Protection Act 2018.

Your phone number and profile may be visible to designated contacts, service providers, or sponsors upon clear opt-in consent.

Information may be shared with sponsors or co-branding partners only to deliver agreed services or promotional offers expressly accepted by you.

5. Fees, Payment, and Commission

Fees for embedding services, profile activation, or digital advertising participation are listed on the Eql2 or Safeguard Pro sign-up pages and may change with 30 days' notice.

Commission structures for resellers or sponsors are determined by separate written agreements or as specified on the Eql2 platform.[1]

6. Sponsorship and Co-Branding Terms

Sponsor Eligibility: Only pre-approved third parties may sponsor or co-brand with Eql2/Safeguard Pro.

Usage: Sponsors and co-branded partners may display their brand information within customer or user profiles and in sponsored in-app content, subject to Eql2's approval and compliance with UK advertising laws.

Advert Content: Content must not be misleading, offensive, or violate applicable laws.

Termination: Retailer Robotics Ltd reserves the right to terminate or suspend any sponsorship or co-branding arrangement for breach or upon reasonable suspicion of misconduct.

7. Intellectual Property

All software, branding, and digital assets associated with Eqll2 and Safeguard Pro remain the exclusive property of Retailer Robotics Ltd.

8. Liability and Indemnity

Retailer Robotics Ltd makes no warranties regarding uninterrupted service or error-free operation and disclaims liability for indirect or consequential losses caused by use of Eqll2/Safeguard Pro unless arising from gross negligence or breach of statutory duty.

Users, sponsors, and co-branded partners agree to indemnify Retailer Robotics Ltd against claims arising from unauthorised use or non-compliance with these terms.

9. Termination

Retailer Robotics Ltd may terminate your access on reasonable grounds, including breach of these terms, provision of false data, non-payment, or misuse of the platform.

10. General

These terms are governed by the laws of England and Wales.

Any disputes arising under or in connection with these terms will be subject to the exclusive jurisdiction of the English courts.

For any questions or to request a signed copy of these Terms and Conditions, please contact us at joseph@secrtwepn.com.

Effective date: 8 August 2025
